

Internal Financial Procedures Policy

Segregation of Duties

The principle of segregation of duties is important regarding both income and expenditure, and capital transactions to comply with best accountancy practice e.g. appropriate controls will be put in place to prevent one person recording and processing a complete transaction.

Bredagh GAC will therefore ensure that all financial personnel within the Club have clear segregation of duties.

Qualification of Volunteers

Bredagh GAC will ensure that, where possible, financially qualified people carry out the financial duties of the organization. In addition, any general or specific advice from the Club accountant will be brought to the attention of the Executive Committee.

Income

Most of the income received by Bredagh GAC is from fundraising events, funding from statutory and governing bodies and membership subscriptions.

All invoices will be raised on Bredagh GAC letterhead, or in a format agreed with the Club Treasurer, and be drawn up in accordance with standard invoice requirements. All VAT invoices need to meet HM Customs and Excise requirements, and must include the VAT registration number, VAT rate and VAT amount where appropriate. Information about non-routine and all grant income will be passed to the Club Treasurer with the cheque or remittance advice. This will be filed by the Club Treasurer and used to ensure such income is correctly recorded in the accounts.

Fund-Raising Events

In terms of fundraising, Bredagh GAC have the following controls in place:

- records be maintained for each fund-raising event, in sufficient detail to identify gross receipts and how they have arisen, and all costs incurred;
- for all events for which there is ticket income or gate money:
 - That tickets all be pre-numbered;
 - a record be kept of all persons who have been issued with tickets to sell, and of which ticket numbers have been allocated to each;
 - a record be kept of which tickets have been sold; and
 - a reconciliation be made of receipts against tickets sold.

Bank Accounts

All income will be lodged into the current accounts as soon as possible, not less than once a week.

Banking and Custody Procedures

Bredagh GAC will ensure that, once funds are received into the control of club, their continued security is maintained through the implementation of the following guidelines:

- Incoming receipts will be banked regularly and as soon as possible – at least weekly. Frequency of banking will depend on the amount of cash received. Only a minimal amount of cash will be retained in a locked cash box.
- Cash or cheques will be placed in a safe or locked cash box if they cannot be banked on the day of receipt.
- All incoming money is banked gross – no amounts will be held back for petty cash.
- All Bredagh GAC money will be kept separate from any individual's personal money.
- Where possible, two people will lodge the money in the bank for safety, particularly if significant sums of cash are involved.

Ordering Supplies and Services

Any lease, hire purchase agreement or other contract involving expenditure will be subject to the approval of the Executive Committee. No Large contracts will not be entered into without adequate advice from a relevant professional adviser (e.g. accountant, solicitor, surveyor). While claims for small items of expenditure may be made via adequate supporting documentation. preferably receipts, must be obtained. Large items requiring cash payment must be checked by the Club Treasurer before the arrangement is confirmed.

Payment Authorisation and Purchase Ledger

All invoices must be authorised for payment by the Executive Committee of Bredagh GAC, although the actual checking of details may be delegated to the Treasurer or Assistant Treasurer as appropriate. The Club Treasurer is responsible for checking invoices for accuracy in terms of figures and conformity with the order placed, that the services or goods have been received, and following up any problems. A Purchase Ledger is operated by the Treasurer. All incoming invoices are to be passed to Treasurer as soon as they arrive. Invoices will be recorded on to the Purchase Ledger within two days. They are then passed on to the Executive Committee for authorisation. Once authorised as above, suppliers will be paid within the appropriate timescale.

Cheque Writing and Signing

Signatories will only be drawn from the Officers of the Club and Trustees, and any new signatory must be approved by the Trustees before the bank is notified. All cheques for £100 or over require two signatories. Cheque signatories should check that the expenditure has been authorised by the appropriate person before signing the cheque.

Signatories will not sign cheques which are payable to themselves, or blank cheques. Cheques should be filled in completely (with payee, amount in words and figures, and date) before cheques are signed.

Handling of Cash

Accounting for Cash as it is received

- If received in person, record on a pre-numbered multiple-copy receipt form. Give a copy of the receipt to the customer.
- Indicate the type of payment
- Separating Individual Cash Handling Duties
- The components of cash handling will be separated ie - collecting, depositing, and reconciling - so that one individual does not have responsibility for more than one component.
- It is best practice to always separate the handling of the actual cash from the reconciliation.
- Safeguarding the Handling and Storing of Cash
- During hours of operation coins, notes and cheques will be kept secure to restrict access.
- At other times store all coins, notes and cheques will be kept in a locked safe or other locked secure place until they are deposited.

- Review weekly and monthly cash activity reconciliation.
- Compare the mode of payment (coin, notes or cheques) recorded at the time the cash was received with the coin, notes and cheque totals on the validated deposit document.
- Evaluate overall internal controls to ensure that reasonable controls exist to safeguard cash, and that they are understood and followed.
